ORDER

Case record put up today.

Today is fixed for hearing.

The counsel for the petitioner submitted that license in respect of the S.A i.e .22 Revolver Pistol is about to be issued by a competent authority, as such registration of the said pistol will be done after few days. He also submitted that the applicant is a permanent resident of Ramhlun venglai and there is no question of absconding. Moreover the petitioner is a retired Jt. Director, Supply Department and also having a good reputation in society and as such the said S.A was not went for against the state or so. He further submitted that he would co-operate the investigative agency if so required.

On the other hand, the Id. Addl.P.P objected and submitted that the petitioner did not have any license in respect of the said pistol and hence a prima facie case is found well established against him and since he is in a position to hamper investigation or tamper evidence, prayed the court to reject the instant application.

Upon hearing of both parties the S.A was not recovered from the applicant, and found no criminal intention and behavior. So, the Anticipatory Bail is granted with bond of Rs.30,000/- with reliable surety of the like amount.
