ORDER

The application filed under Section 439 of Cr PC is disposed off today after hearing the rival parties.

The petitioner's case is that he was arrested by Police on 1.12.2016 in connection with alleged commission of offence under Section 489 B/489 C/34 of IPC. The contention raised on behalf of the accused is that there is no prima facie case against him. According to the Id. Counsel, the petitioner has been falsely implicated in this case. The Id. Counsel Shri H. Laltanpuia submits that the petitioner is given medicines by Central Jail OPD due to headache. A copy of the OPD Card is enclosed in this petition. He further submits that the petitioner, being a permanent resident of Thuampui, Aizawl, will not abscond from justice and the petitioner is also ready to abide any condition imposed upon him by this Court.

Contd...2/-

On the other hand, the Id. Addl. PP has made a strong objection. According to the Id. Addl. PP, the investigation performed by the Case I.O. will be hampered if the petitioner is released on bail.

This Court rejected the earlier petition submitted by the petitioner. The Case IO also appeared during the course of hearing and Case Diary was also perused.

In the Case Diary, 278 nos. of fake Indian currency notes of Rs. 1000 denomination were seized from the possession of the petitioner. According to the Case I.O., the FSL Experts have also confirmed the notes as fake currency.

It is also mentioned in the Order dated 24.1.2017, '**The Medical Certificate produced before the Court cannot be a ground to release the petitioner on bail since there is no specific fixed date for the petitioner to have medical check-up in the Certificate**'.

After hearing the rival parties, I do not find any ground to release the petitioner on bail as there is no new development in the present petition.

Hence, the petition is rejected at this stage.

Send back the LCR.
